EXECUTIVE OFFICE OF THE PRESIDENT,
OFFICE OF MANAGEMENT AND BUDGET,
Washington, D.C., June 9, 1983.

The PRESIDENT,
The White House.

SIR: I have the honor to submit for your consideration proposals providing a net reduction of \$264,000 in the request for supplemental appropriations for the fiscal year 1983 and amended appropriation language for fiscal year 1984.

I have carefully reviewed the proposals contained in this document and am satisfied that these requests are necessary at this time. I recommend, therefore, that these proposals be transmitted to the Congress.

Respectfully,

DAVID A. STOCKMAN,
Director.

Enclosures.

Department of Health and Human Services
Health Resources and Services Administration

Budget Appendix Page	Heading	1983 Supplemental Request Pending	1983 Amendment	1983 Revised Request
III-25	Health resources and services	\$8,456,000	-\$614,000	\$7,842,000
III-26	Indian health services	\$14,274,000	Transfer language	\$14,274,000

(In the appropriation language under the above heading delete the material beginning with "\$6,700,000" and insert in lieu thereof the following: \$6,174,000 shall be derived from unobligated loan guarantee repayment funds provided under Public Law 97-377 in the account "Health resources".)

These proposals reflect a reduction in the estimate of funds needed to cover the cost of the October 1982 Federal pay raise for Health resources and services and a change in the transfer language in the Indian health services pay supplemental language. These proposals would reduce 1983 outlays by \$600 thousand.

Department of Health and Human Services
General Provisions

In the appropriation language under the above heading for the fiscal year 1983 add the following new general provision:

Not to exceed \$12,000,000, may be transferred from appropriations for programs and activities of the Department of Health and Human Services, other than funds available for expenditure in a trust fund established under the Social Security Act, and shall then be available for the purpose of conducting programs and activities under section 301 or 311 of the Public Health Service Act with respect to Acquired Immune Deficiency Syndrome.

1984 Budget Appendix Page	Heading	1984 Request Pending	1984 Proposed Amendment	1984 Revised Request
1-K54	General Provisions		language	

(Add the following
general provision
immediately following
the material under
Sec. 208:)

Sec. 209. Not to exceed
\$12,000,000, may be transferred
from appropriations for programs
and activities of the Department
of Health and Human Services
available for expenditure,
other than funds in a trust
fund established under the
Social Security Act, and shall
then be available for the
purpose of conducting programs
and activities under section
301 or 311 of the Public Health
Service Act with respect
to Acquired Immune
Deficiency Syndrome.

This language would allow the Department of Health and Human Services to transfer funds among various accounts in order to support additional activities to combat Acquired Immune Deficiency Syndrome. This proposal would not affect outlays in 1983 and 1984.

DEPARTMENT OF TRANSPORTATION
OFFICE OF THE SECRETARY

1984 Budget Appendix Page	Heading	1984 Budget Request Pending	1984 Proposed Amendment	1984 Revised Request
IQ58	Salaries and expenses	\$42,537,000	Language	\$42,537,000

(In the appropriation language under the above heading, delete "under Title IX of Public Law 94-210" and insert in lieu thereof as authorized by 49 U.S.C. 332 and insert after "Provided," the following: That notwithstanding any other provision of law, funds available for this purpose in this or any prior appropriation act, may be used for business opportunities related to any mode of transportation: Provided further,)

This proposed language change would insure broader availability of Minority Business Resource Center resources to make them available to assist in carrying out a provision of the Surface Transportation Assistance Act of 1982. This proposal would not affect outlays.

OTHER INDEPENDENT AGENCIES

ACTION

Operating Expenses

For an additional amount for "Operating expenses", \$350,000.

This supplemental request would provide for that portion of the October 1982 Federal pay raise that cannot be absorbed within the existing appropriation. This proposal would increase 1983 outlays by \$337 thousand.
